Dear Parent/Guardian;

MOVING FROM PRIMARY TO SECONDARY SCHOOL – SEPTEMBER 2023

This letter explains what you need to do to choose and apply for a secondary school place. Admission to a secondary school is not an automatic process and an application must be made by **20 December, 2022**. There is no guaranteed place at any school.

The information you need is available through **https://www.carmarthenshire.gov.wales**

This checklist may assist you:

1. **Information for Parents booklet**
   Gives you all the information you need to know before applying for a place.

2. **Research your secondary school**
   Find your catchment area school/s online, visit the school website for a prospectus.

3. **Check transport eligibility** www.carmarthenshire.gov.uk/schooltransport
   Read the transport policy and make an application.

4. To apply for a school place outside of Carmarthenshire contact the Council in that area.

5. **Apply online by 20 December 2022**
   Late applications will only be dealt with after all applications received on-time have been processed.

6. **If you have applied already there is no need to re-apply.**

A decision email will be sent to the parent/guardian on the **National Offer Day which is 1 March, 2023**. No information will be given before this date.

Any parent/guardian who does not submit an online application by 20 December 2022, will reduce the chance of obtaining a place for your child in the school of choice.

Yours faithfully

Sue John
