21st October 2020.

Dear Headmaster/Headmistress,

This year at Loveleen Browes opticians we would like to involve local school children in our Christmas celebration window. Our theme is 'past, present and future' echoing the classic themes of Dicken's A Christmas Carol.

We are planning a Christmas window showcasing three trees. The third will be the 'Future tree'. We have interpreted that as being a tree to be decorated by local children (as they are our future). We will have a box of Christmas baubles in the practice. All children can come and collect one bauble each and decorate it however they would like ~ anything goes!. All baubles will need to be handed in by Friday November 20th. The best, most creative baubles will then be selected and hung on our 'Future tree' for the whole of Burry Port to see in our xmas window.

As we all know its been such a difficult year that we hope this idea might encourage some community spirit, joy, creativity and Christmas atmosphere in our lovely little village.

I would therefore be very grateful if you could make this announcement to the children in your school. Baubles will be available from Monday 26th October to collect. Thank you so much for your support in this matter.

Kind regards,

Claire Taylor
