

The challenge:

The beach is a lovely place to spend your summer time. Plenty of opportunity to create memories and have fun with family and friends - building sand castles, swimming in the sea, collecting shells, eating picnics and ice cream!

However, unfortunately some people have recently chosen to leave rubbish on the beach and leave it untidy! How can you help?

Discussion points for parents:

- Do you enjoy spending time on the beach?
- How many beaches have you visited?
- What is the nearest beach?
- How do you travel to the beach?
- What activities do you like doing on the beach?
- When would you visit the beach?

Fortnightly Plan: Summer (Yr 3 & 4)

Rhaid gwneud... / Must do...

- Learn to spell common words - there is a list of the 200 most common words on the Website and you can use Spellblast on J2Blast to do this. - Regular reading — remember to discuss what you have read, describe characters, explain events, sequence events, re-tell the story in your own words, use a dictionary/online dictionary to search for the meaning of unfamiliar vocabulary.	- Practice times tables (Don't forget you can also use TTblast within J2Blast to practise tables) Year 3 - 2, 3, 4, 5 and 10 Year 4 - 2, 3, 4, 5, 6, 8 and 10 - Adding and subtracting Year 3 to use 2 digit numbers eg $67 + 45 =$ / $86 - 34 =$ Year 4 to use 3 digit numbers eg $467 + 382 =$ - Recognise and count money, pay for items in different ways. - Tell the time to nearest 5 minute, then every minute	<u>Keep active</u>- what about joining Joe Wicks' live fitness sessions 9:00 — 9:30am on Youtube (with parental supervision) <u>Help</u> - what about helping around the house? Make your bed, lay the table ready for food, help in the garden? <u>Talk</u>- Have a chat with your parents about your day.

★ View the 'Popeth am yr Haf' fact file on the school website. When opening the document, you will see 3 levels. Choose one to read and answer - challenge yourself by aiming for a higher level.	★ Measure distance between two points on the beach. Time yourself moving from one point to another. Challenge yourself and others to move faster.	★ Listen to 'Summer' by Vivaldi from his piece 'The Four Seasons'. What images come to mind? Draw the picture in your imagination. Can you name some of the instruments that are played?
★★ When on holiday, we traditionally send a postcard to our families to tell them what we have been doing. Why not write and send a postcard to a family member telling them what you have been up to?	★★ Take a walk to the beach to collect rubbish. Collect as much rubbish as possible. Sort the items using specific criteria e.g. plastic, paper, cans Record how many items there are and input the information into a graph on Hwb. How many items do you have the most / least etc?	★★ Summer is a time to enjoy eating outdoors. A good opportunity for BBQ. Why not create a menu for your ideal BBQ. Describe the food, take pictures, make it attractive.
★★★ Burry Port is a lovely place to visit. Create a brochure persuading visitors to spend their holidays in the area. Attractions in the area will need to be included e.g. lighthouse, beach, harbor, miscellaneous restaurants, RNLI etc. You will need to include pictures of the area, relevant information, adjectives to describe e.g. delicious food, lovely harbour, majestic sea, great lighthouse.	★★★ Organise your ideal holiday! You need to cost the trip thinking about the plane, hotel, food and activities. How many family members go? How much money do you need to save?	★★★ Check out Van Gogh's sunflower paintings. Look carefully at his use of color, pattern and texture. Can you create a similar picture? Look closely and all the finer points and try to include these details in your work.
