## New Part - time Nursery Spring 2021

### Languages, Literacy and Communication

- Practice having a conversation in Welsh -

Fy enw i yw..... (My name is .....)

Rwy'n \_\_\_\_ mlwydd oed (I'm \_\_\_\_ years old)

Fy hoff beth yw \_\_\_\_ (My favourite thing is \_\_\_\_)

- Go for a walk and try practicing your making your name out of natural things e.g. leaves, stones, twigs.
- Listen to a story in Welsh on YouTube

<https://www.youtube.com>

Search: Straeon Cymraeg i blant (Welsh stories for children)

### Mathematics and Numeracy

- Practice counting to 10. There are plenty of Welsh counting songs on *YouTube*!
- Play a number value game with any household object.

Adult - "Can I have 2 *pieces* please?"

Child counts 2 *pieces* and gives to adult. Use a variety of objects and numbers building up to 10.

- Find out who is the tallest and shortest in your house. Stand next to each other and sort yourselves by height.

### Health and Wellbeing

- Practice putting your coat on and doing the zip up.
- Can you show different emotions and take a selfie? E.g. a happy face, scared, angry, tired, excited.
- Practice washing your hands whilst singing 'Happy Birthday.'

### Humanities

- Draw or take a photo to show the order of your day? E.g. getting up, washing, eating breakfast to going back to bed.
- Draw a picture of your family. Do you have a brother or sister? Do you have a pet? Remember to include these in the picture.

### Science and Technology

- Help an adult follow a recipe to make something delicious!
- Go for a walk and collect natural things—how many leaves have you collected? What's the biggest / smallest thing you collected?

### Expressive Arts

- Draw a picture of yourself - remember to show me what colour eyes and hair you have got.
- Try and write your name under your self-portrait.
- Use resources you have in the house or that you collected from your walk to form numbers e.g. create number 1 out of lego, create number 2 out of sticks.
