

The Challenge

Run, run as fast as you can - this is a fairy tale which I'm sure you all have listened to. We hope you enjoy the activities we have prepared for you during the next fortnight.

Discussion points for parents:

- Can you tell me a story?
- Is this your favourite story and why?
- Can you name the characters in this story?
- Which is your favourite character?

The Gingerbread Man - (Nursery/Reception)

Must do...

• Recognising letters of the alphabet • Practise forming letters of the alphabet • Practise writing your name • Regular reading - reading and listening to stories • Practise singing songs and nursery rhymes	• Practise recognising numbers • Practise forming numbers • Recite numbers in the correct order - forwards and backwards • Practise addition and subtraction by using practical activities	• Joe Wicks - live session on YouTube at 9am • Cosmic Kids Yoga - sessions on 'YouTube' • Discuss with your parents about your day and how you are feeling. • What about helping around the house? E.g. making your bed, laying the table ready for food, helping in the garden etc
--	---	--

Should do...

 Literacy	 Numeracy	 Theme
 Can you draw a picture of the gingerbread man? Can you copy/write a sentence with support/independently to describe your picture e.g Dyma'r Bachgen Bach Toes.	 The ginger bread man has a pair of legs-can you think of other things that come in pairs e.g gloves/socks/shoes etc. What about playing a game where you have to sort out pairs of things in the house? How many pairs do you have? Can you challenge yourself to count in two's e.g 2, 4, 6, 8, 10	 The Gingerbread man can run very fast-no one can catch him! Can you run faster than other members of your family? What about having a race in the garden? Can you think of other ways of moving e.g. jumping, hopping, bouncing like a kangaroo.
 Can you recite the story with the support of an adult? Do you remember what happens at the beginning of the story, in the middle and at the end? What is the favourite part of the story?	 With support, can you write numbers up to 5,10, 20, 100 on a template of a gingerbread man? Ask an adult/sibling to hide these in the house/garden. How many can you find? Which numbers are missing? Can you put them in the correct order?	 Can you build a bridge to help the Gingerbread man cross the river safely? Ask an adult to help you find pictures/photos of bridges on the internet? What about using Lego, blocks, empty boxes/rolled up news paper? Is your bridge strong? How could you make it stronger?
 The Bachgen Bach Toes begins with the letter Bb. Can you form this letter with support/independently? Which one is the capital letter? Can you think of a friend or family member or a name of a town that begins with the capital letter B. Go on a hunt in the house or garden to find things that begin with b.	 Symmetry-go ahead and create a template of a Gingerbread man. Can you put the same number of buttons on each side of his tummy? How many patterns can you create? What about painting spots with your finger on one side of the gingerbread man and then fold him in half to create a symmetrical pattern? Can you add the spots?	 What about using dough/playdough to make your own gingerbread people. Remember that they need eyes/ nose and a mouth. How many buttons does each one have? We would love to see your gingerbread family-remember to share your photos with us-HWB/TWITTER
