

For pupils

What you need to know

Remember – at all times:

1. stay calm and check if the area is safe
2. think before you do anything
3. talk to the person you are helping
4. look for an adult to help.

For any emergency where someone is very ill or injured, you need to get adult help AND call 999.

Keep safe when helping others

- > Look and listen for danger
- > Check for hazards to keep yourself and others safe

Remember...
Keep yourself safe when helping others

Get help

- > Look for an adult to help
- > If you need an ambulance, call 999
- > Tell the operator:
 - where you are
 - who is hurt
 - what has happened

Remember...
Call 999 for an ambulance

For pupils

What you need to know

If someone has a burn...

- > Cool the burn under running water for at least ten minutes
- > Tell an adult
- > If the burn is bad or it is a child who is burnt, call 999

Remember...
Cool it

If someone has a nose bleed...

- > Sit up straight
- > Lean head forward
- > Pinch soft part of the nose for ten minutes
- > If bleeding doesn't stop, tell an adult and call 999

Remember...
Lean forward and pinch it

For pupils

What you need to know

If someone is choking...

- > Hit the person firmly on the back up to five times
- > Check their mouth
- > If the object does not come out, tell an adult and call 999

Remember...
Hit their back

If someone is unresponsive and you need to check if they are breathing...

- > An unresponsive person does not move or answer you
- > Gently tip the person's head back to open their airway
- > Look, listen and feel for breaths
- > If they are not breathing, tell an adult and call 999

Remember...
Look, listen and feel for breaths

If someone is unresponsive and breathing...

- > An unresponsive person does not move or answer you
- > Turn them on their side
- > Tip their head back
- > Tell an adult and call 999

Remember...
Roll on side and tip head back

If someone has a broken bone...

- > Tell the person to keep the injury still
- > Support it to stop it moving – use their hand, clothes or cushions
- > Tell an adult and call 999

Remember...
Keep it still and support it

For pupils

What you need to know

If someone has a bad bleed...

- > Press on where the blood is coming from and keep pressing on it
- > Use a t-shirt or any clothing to press on the bleed if possible
- > Tell an adult and call 999

Remember...
Press on it

If someone has an allergic reaction...

- > Keep away from the cause of their allergy
- > Get the person to sit comfortably
- > Encourage them to take their medication if they have it
- > If this does not seem to help, tell an adult and call 999

Remember...
Get them comfortable and help them to take their medication

If someone is having an asthma attack...

- > Get the person to sit comfortably
- > Encourage them to use their inhaler
- > If this does not seem to help, tell an adult and call 999

Remember...
Get them comfortable and help them to use their inhaler

If someone is upset...

- > Keep calm yourself
- > Ask them how you can help
- > Listen to them
- > Help as best you can
- > Afterwards, talk to an adult who you know and trust

Remember...
Keep calm and listen
