

The Challenge:

A new term..... A new theme! Welcome to the theme 'Mini Zoo'. Firstly, let us familiarise ourselves with some zoo animals and the work of a vet by reading and exploring the storybook 'Milfeddyg y Sŵ'. A great way to get us started on our work journey this term.

Discussion points for parents:

- What is your favourite zoo animal? Why?
- Do you know the original habitat of your favourite zoo animal?
- What does your favourite zoo animal eat?
- Do you know the name of your favourite zoo animals young ones?
- Can you describe your favourite zoo animal i.e. What colour are they? How many legs do they have? How do they move? What sounds do they make? etc

Mini Zoo (1) (Yrs 1 & 2)

Must do...

- | | | |
|---|--|---|
| <ul style="list-style-type: none"> • Practise your weekly spelling words. The words are on the school website for you to practise! Complete the test on SpellBlast and save to your file. • Regular reading - remember to discuss what you have read, describe characters, explain events, sequence events and re-tell the story in your own words. | <ul style="list-style-type: none"> • Practise times tables (Yr1 - tables 1, 2, 5 and 10 / Yr2 - Tables 1, 2, 5 and 10 to begin and table 3 as a challenge!) • Maths - Number bonds to 100 - addition and subtraction • Recognize and count the amount of money • Tell the time e.g. o'clock, half past, quarter past and quarter to. | <ul style="list-style-type: none"> • Joe Wicks - sessions on 'You Tube' Live 9am (Remember to ask permission before using 'YouTube') • Cosmic Kids Yoga - sessions on 'YouTube' • Discuss with your parents about your day and how you are feeling. • What about helping around the house? E.g. making your bed, laying the table ready for food, helping in the garden, helping with the food preparation etc. |

Should do...

Literacy

Numeracy

Theme

Look at the cover of the book 'Milfeddyg y Sŵ'. What do you see? Who is the author? Where and what is the blurb? What do you think will happen in the story (before reading)? Go ahead and read the book and discuss the different parts. Who is your favourite / least favourite character? What is your favourite part? (Resource 1)

Log into your HWB account - write a list of the days of the week and the months of the year. Remember that you need to spell and organize these correctly.
*CHALLENGE - How about noting how many days are in each month?

Research how different animals move. Create a sequence of movements to last between 10 and 20 seconds. How about creating a video and uploading to HWB? Your teachers would love to see your creativeness!

Create a mind map based on the story 'Milfeddyg y Sŵ'. Think about the different animals, the resources used, caring words, uniforms and events. How about drawing different pictures too?

Go ahead and collect a list of animals that sleep during the day and a list of animals that sleep during the night. Sort these by using a table / venn diagram etc.
*CHALLENGE - Can you think of different ways to sort animals e.g. number of legs, wings, habitat, tail etc?

Ask members of your family what their favourite zoo animals are. Log in to your HWB account and record these on a bar graph. How about sending your teacher a message to ask them what their favourite zoo animal is?

Use the picture cards given (Resource 2). Organise the pictures and write sentences that go inside with each picture.
*CHALLENGE - How about re-writing the whole story in your own words?

Imagine that you are the vet. Create a time diary for one day, recording what you do during the day e.g. 7am - wake up and have a wash, 7.15am - get dressed into my uniform, 7.30am - Eat breakfast, 8.00am - Arrive at the zoo, 8.15am - Prepare the food for the elephants etc.

Go ahead and collect natural materials. Use these materials to create a collage of a zoo animal of your choice. Remember to take a photo of your cool creation and upload to HWB / Twitter. We would love to see your creations.

*CHALLENGE - How about writing a time diary
for every day of the week?
