

The Challenge:

During these difficult times, it's important to think about what makes you happy/sad and to create memories to reflect and discuss in years to come. Remember to think positively and always do your best - in the future this period will be a big part of history!

Discussion points for parents:

- What have you enjoyed during this lockdown?
- Who have you spent your lockdown time with?
- How have you felt during this period?
- What have been your highlights?
- What have you missed the most?
- Has something funny happened to you that has made you laugh out loud?
- Have you experienced something new during lockdown?

Fortnightly Plan: Memory Capsule (Yr 1&2)

Should do...

 Literacy	 Numeracy	 Theme
 Go ahead and create a self-portrait. Remember to unclude facts about yourself e.g. name, age, hair colour, eye colour, favourite colour, food, toy, sports, animal, favourite things and least favourite things.	 Kindly ask members of your family and friends 'What's your age?' Order the ages from the youngest to the eldest. Note these on HWB. As a challenge, how about ordering the birth year of your family/friends?	 How about creating and decorating your own memory capsule (box)? You could fill the box with things that are important to you during lockdown e.g. pictures, favrouite recipe, favourite toy, painted stone, schoolwork and the letter sent to you from Mr Davies etc.
 How about creating a bucket list of things to do after lockdown is lifted? You should think of people you'd like to see, places you'd like to go/visit, food you'd like to eat, activities you'd like to do e.g. go to the park/beach, give a member of your family a cwtsh, eat in a restaurant etc.	 Go ahead to ask members of the family and friends 'When is your birthday?' Note the month and use Hwb to create a birthday graph. You must record the months of the year and the number of people who celebrate their birthday during that month. Remember to share your graph with us! You could even ask your teacher what month they celebrate their birthday and add this to your graph?	 Do you like taking selfies on a phone? Take a selfie a day for a week with members of your family (remember to ask permission). Then, with a parent, create a Pic-collage of your selfies #aweekinlockdown. Your teachers would love to see these pic-collages on the school's Twitter @ParcyTywyn/on Hwb or through e-mail.
 Have you ever seen a message in a bottle before? Usually the message is from the past - so, how about creating one for the children/people of the future describing these unusual times. Remember to put a	 Record yourself singing 'Months of the Year' on Hwb. Think of notable events e.g. Eisteddfod, birthdays of members of the family, St David's Day, Christmas etc. Note the months of the	 What is your birth year? Search for a ffilm (Disney or welsh film) with an adult that's the same age as you! Enjoy watching the film with your family! After watching, ask each other questions based on the film (hot seating) e.g.

date and what you've been doing to keep busy? Remember to use personal verbs e.g. I ate, I walked, I played, I enjoyed, I didn't enjoy etc.	year in the correct order and add the events to correct month.	Who was the main character? Who was the villain? What happened in the film? Who was your favourite character and why?
