

Challenge:

The beach is a lovely place to visit during the Summer time. It is a wonderful place to create memories and have fun with family and friends - building sand castles, paddling / swimming in the sea, collecting shells, eating a picnic and ice cream. Unfortunately, during the last few weeks, some people have been leaving their litter behind and spoiling our beaches! How can you help?

Discussion points for parents:

- Do you enjoy spending time on the beach?
- How many different beaches have you visited?
- Can you name the beach which is closest to you?
- How do you travel to the beach?
- What activities do you enjoy doing on the beach?
- When do you visit the beach?
