

# Pause & Think Online

 There are lots of things to think about when it comes to being a responsible digital citizen. At school your child is learning all about it and now they can show you what they know! They're learning to ...

- Pause and think before searching, clicking or sharing.
- Be kind online.
- Find balance using media and tech.
- Pay attention to their feelings to make sure they feel safe and know when to stop.
- Stand up to online bullies.
- Carefully choose the digital footprints -- like posts, pictures and comments -- they leave behind.

Check out the music video featuring our favourite digital citizenship friends!  
Watch it together (turn on captions so you can see the lyrics) and sing along!

## Now talk about this together:

1. What was your favourite part of the song? Why?
2. Who's your favourite character? Why?
3. What are some ways you can behave like how your favourite character does?
4. What could be hard about it and how would you keep going anyway?
