Dear Parents and Guardians,

We are excited to announce a fun and creative activity for the children as part of our preparations for the upcoming Mary Poppins show!

We kindly ask each family to help their child create a colourful kite at home. The kite should be no larger than A3 size (approximately 30cm x 42cm) and should include a bright and colourful tail. These kites will be used to decorate the set for our performance, bringing a vibrant and whimsical touch to the stage—just like in the beloved *"Let's Go Fly a Kite"* scene!

To help make your kite sturdy enough for display, we recommend using a cereal box or similar lightweight cardboard as a backing. It's a great way to recycle and gives your kite a nice structure to hold its shape.

Details:

- Size: No bigger than A3
- Design: Bright and colourful with a decorative tail
- Suggested material: Cereal box or similar for backing
- Due Date: Monday 23<sup>rd</sup> June

Possible Templates:

<https://justfamilyfun.com/kite-template/>

<https://mandysprintables.com/printable-kite-templates/>

Ideas:

If you require any assistance or have any questions please contact your class teacher.

This is a wonderful opportunity for families to enjoy some creative time together while contributing to our show's magical atmosphere. We can't wait to see the beautiful kites on display!

Thank you for your support and enthusiasm.

Warm regards,  
Parc y Tywyn Staff
