Ystyriwn waith cartref fel rhan o'r berthynas agos sy'n cael ei meithrin rhwng y rhieni a'r ysgol er budd datblygiad cyflawn pob disgybl beth bynnag ei allu. Yn dilyn ein holiadur y tymor diwethaf, roedd mwyafrif o rieni eisiau llyfr gwaith cartref yn lle'r fwydlen thema, felly dyma fydd y drefn o hyn allan.

Gwaith Cartref – Iaith a Mathemateg (Gosod bob pythefnos)

Yn nhymor yr Hydref bydd gan ddisgyblion Blwyddyn 2 – 6 lyfr gwaith cartref. Gosodir gwaith cartref Rhif ac Iaith ar ddydd Llun, bob am yn ail wythnos er mwyn cefnogi gwaith y dosbarth. Rydym yn deall bod bywyd tu allan yr ysgol yn brysur i nifer o ddisgyblion felly bydd ganddynt wythnos gyfan i gyflwyno'r gwaith. Caiff y gwaith ei farcio gan yr athrawon a byddant yn rhoi adborth i'r disgyblion sy'n cyflwyno ar amser, naill ai yn ysgrifenedig neu ar lafar.

Gofynnwn am gefnogaeth rhieni i sicrhau bod y gwaith sy'n cael ei osod yn cael ei gyflwyno mewn pryd.

HOMEWORK AGREEMENT SEPTEMBER 2023

We consider homework as part of the close relationship that is developed between the parents and the school to support the development of each pupil whatever their ability. Following our questionnaire last term, most parents stated their preference of a homework book instead of the thematic menu, so this will be the arrangement from now on.

Homework – Language and Maths (Set fortnightly)

In the Autumn term, Year 2 - 6 pupils will have a homework book. Mathematics and Language homework is set every other week on a Monday and will support the work of the class. We understand that life outside school is busy for many pupils, therefore they will have a whole week to complete the work. The work will be presented the following Monday and marked by the teachers if presented on time. Feedback to the pupils will be given either in writing or verbally.

We ask for the support of parents to ensure that the work being set is completed on time.

Homework – Spelling (Set fortnightly)

From November, spelling words will be sent home in the homework books fortnightly to be practised.

Nursery – Year 1

It is set occasionally to support the work of the class through the School app.

How can parents help their child?

❖ Reading

We encourage parents to ensure that the pupils read at home at least three times a week to support their development and ask that parents complete the paper reading record.

❖ TT Rockstars

Pupils from Years 2 – 6 all have a TT Rockstars account to practice their tables. We encourage parents to ensure that all pupils practice at home twice a week.
