Welcome from the Headteacher

It has been a very busy and productive half term with pupils enjoying gardening activities, planting and sowing seeds. We can't wait to see the garden flower after half term. There has also been plenty of sporting action, including football, cricket and rugby. We are extremely proud of the pupils' excellent effort and the way they represent the school at sporting events.

We ended the half term with a fantastic Healthy Schools Week to promote positive lifestyles. Thank you for all your support.

Wishing you a wonderful half term break – the weather is looking lovely – and we look forward to seeing you again on 1st June.

At Parc Y Tywyn School, the safety and wellbeing of our pupils is our highest priority. As part of our safeguarding responsibilities, it is essential that we have accurate information about every child's whereabouts during the school term.

We would like to remind all parents/carers of the following expectations in line with our School Attendance Policy:

- Parents/carers must inform the school of all absences, including when a child will be away on holiday.
- Holidays taken during term time are discouraged; however, a leave of absence form must still be completed so that the school is aware of where your child is.
- If a child is absent and we have not been informed of their whereabouts, the school has a duty to follow safeguarding procedures, which may include contacting external agencies to ensure the child is safe.

These procedures are not only about attendance but are a vital part of our role in ensuring that all pupils are safe and accounted for at all times. We ask for your full cooperation in keeping the school informed of any planned or unexpected absences. Thank you for your continued support.

Partnership with Hapus Dyrfa

We're pleased to share that our After School Club has received some fantastic new resources.
This has come through our partnership with Clwb Tywyn Bach, run by Hapus Dyrfa, and funded through the ECS Small Grant Schemefrom Welsh Government via Carmarthenshire County Council.

Our After School Club runs every day after school until 5:20pm. What do these new resources mean for your children? More variety, more creativity, and more ways to keep them engaged and happy after the bell rings. New resources mean new activities and new opportunities to learn through play.
A huge thank you to Clwb Tywyn Bach, Hapus Dyrfa, and Carmarthenshire County Council for making this possible. It makes a real difference to what we can offer our children, and we're very grateful.

🌞 Hapus Dyrfa Holiday Club

We're also pleased to share that our friends at Hapus Dyrfa are running a Holiday Club over summer half-term and the summer holidays.
Here's what they have on offer:
Flexible childcare that works around you — Hapus Dyrfa understand that school holidays and work leave don't always line up. Their Holiday Club is here to help.
Keeping children active, engaged and learning through the holidays — they'll be having fun with their friends while learning at the same time.
A brand new designated holiday space for children aged 4–11 — a dedicated area created especially for them.
One trip a week to get out and explore the local community — a great opportunity for the children to experience new things and enjoy the fresh air.
Whether you need childcare for the full holidays or just a few days here and there, it's well worth getting in touch with Hapus Dyrfa. Spaces do tend to fill up, so the sooner the better!
